

# MAC AG – VENTURES & YOU

## 1<sup>ST</sup> GRADE – SCIENCE STANDARDS

(Choose one from the following lessons)

---

1. Lesson: **Seed Match** - Students compare seeds using multiple senses. They match and glue various seeds onto paper as they learn how seeds travel from one location to another. Using a magnifying glass, they will compare the different sizes/shapes/colors/textures/weight and purposes.

STRAND #1/ INQUIRY PROCESS

Concept 1 – Observations, questions, and hypothesis/ P01 compare common objects using multiple senses.

Concept 2 – Scientific testing, investigating, and modeling/ P03 use simple tools such as rulers, magnifiers, and balances to collect data.

---

2. Lesson: **Nutrition Ag – Venture** - Students learn how the food we eat comes from a farm as they observe a presenter putting together a pretend pizza with fake food items. They learn how each of the 12 items on the pizza comes from a farm.
- 

**Registration:** \$40.00 per class (25 – 30 students), 45 minute in-class lessons
